SOUTH BAY PUBLIC LINKS GOLF CLUB

FREQUENTLY ASKED QUESTIONS

1. Who can join? Anyone – men, women and juniors. A great way to get a handicap and play more golf for very little money! SBPLGC has the lowest annual fee of any local club offering a full tournament schedule, plus we play about half of our tournaments at Los Verdes!

2. Is there a waiting list or limit on members for this club? No.

3. If I already belong to another club(s), can I still join here? Yes – many of our members belong to multiple clubs and we strongly support this practice.

4. If I already belong to another club, will joining here cause handicap or posting problems? No. Your existing index # will be automatically tied in through the same computer handicap system for multiple clubs. You post scores exactly as you do now.

5. If all I need is a handicap, is joining this club an inexpensive and easy way to get one? Yes. You get an official handicap through SCGA and can see stats and post scores online on scga.org.

6. Can joining here get me any special playing privileges at Los Verdes? No (other than being able to play in our regular home events at Los Verdes).

7. \$42 seems inexpensive – will the dues go up significantly in the future? No. Our goal is to operate with virtually no overhead and pass the savings along to members.

8. Is there a deadline to join? No. You can join at any time, which covers you through the following 12 months. Members of record as of Dec 31st each year will get the SCGA Jan/Feb mailing that includes the \$15 Roger Dunn cash card and other promotional offers.

9. Tell me about planned events? You will get the schedule and complete welcome kit by email when you join. Our format is to have about 10 regular one-day tournaments annually costing about \$59 each (\$19 or less for juniors), with most at Los Verdes plus other courses nearby, almost always either on the first or last weekends of the month. Entry forms will be e-mailed to all members 30 days in advance, with signups accepted by mail or online in the order received. Additional events include club championships (gross and net in August), a Palm Springs weekender and other special events from time to time. Prizes are paid in Los Verdes golf course script or in gift cards to Plaza Golf, and various optional cash side-pots are also offered at each event. Every event runs at break-even based on about \$10 of each one-day entry fee going to the prize fund.

10. How do I stay informed? You will get regular e-mails on all activities and club's website SBPLGC.COM is updated regularly. Send questions to sbplgc@earthlink.net at any time.

11. Tell me about the Club's history? SBPLGC was started in 2006 with the concept of being one of the first completely virtually operated clubs. Annual dues have always been the lowest around! We were also one of the first clubs to pioneer the unisex model where men, women and juniors can all play together and compete in the same tournaments. The club currently has over 700 members and has been recognized as one of the most dynamic and innovative clubs in the Greater LA area. SBLGC begun as sanctioned under Public Links, and following the PLGA-SCGA merger became an SCGA based club in 2011. In 2013 the Victoria Men's Club merged in so we are now also the official LA County club at The Links at Victoria. The club is very diverse with many couples, women, juniors, experienced low-indexed players, newly indexed players plus everything in between! We encourage and appreciate input from members at all times. If you email a question or comment, we always try to respond in no more than 24 hours, and in most cases much sooner.
